

01 Hive Ecosystem

Unlimited Possibilities

02

Curate and explore content.

Find authors and creators that inspire and engage you.

03

**Make your voice
heard.**

Publish content to the Hive blockchain
and share your story with the world
without fears of censorship.

03

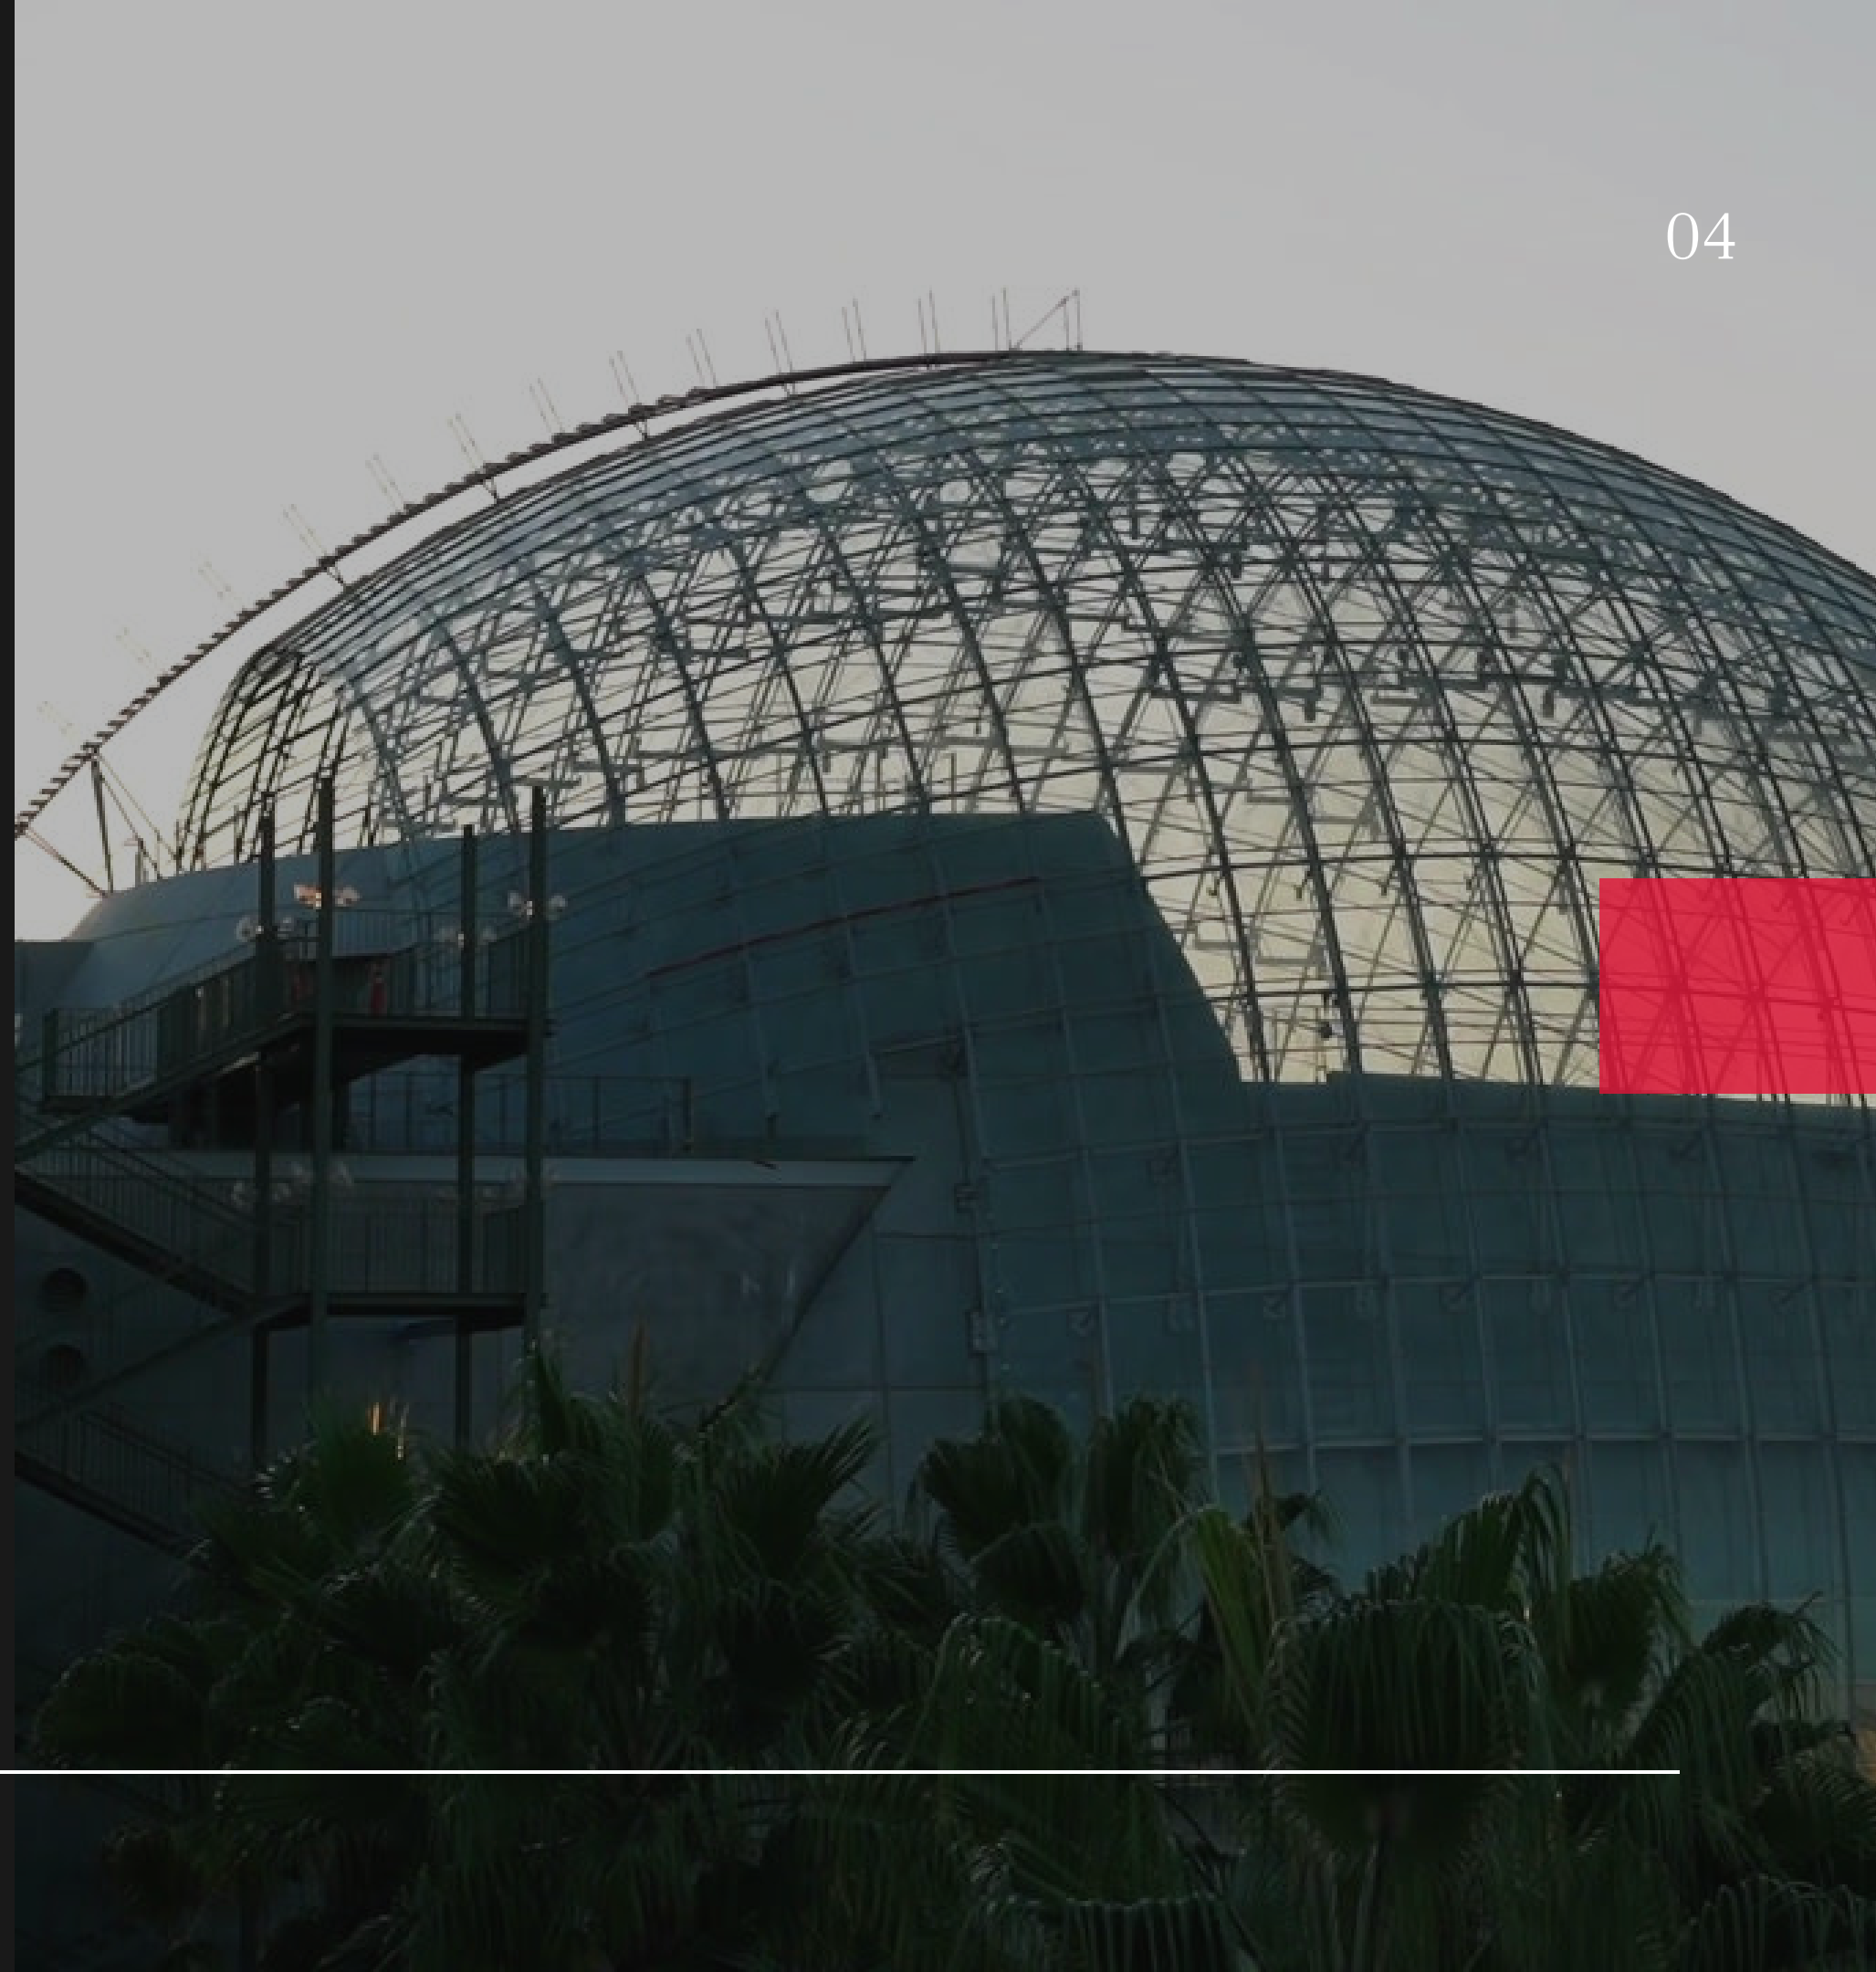

Invest and trade.

Multiple exchanges and services are available for your investment and trading needs. Get into the altcoin game with HIVE and HBD.

04

04

05

There are many Hive games for you to pick from. Trading card games, building games, adventure games, gambling and more!

05

Have fun.

06 Create a DApp.

Find your passion in Hive development. Form a team or go solo and create the perfect decentralized application (or dapp for short).

07

Discover blockchain technology.

Participate in decentralized decision making, join a development team, innovate cutting-edge blockchain solutions, or just learn about a new technology that's shaping the future.

08

Join an existing community or create
your own. Watch it grow!

08

**Embrace
communities.**

**Switch
careers.**

09

Did you know that many blockchain entrepreneurs got their start at Hive? Join them and quit your day job.

10

Switch gears. Do whatever
you want to do. Be unmutable
and unstoppable. Learn.
Innovate. Excel. **Hive.io**

The Hive ecosystem is there for you.

Hive on!
